

HEALTH AND SAFETY POLICY STATEMENT

Drivepoint Contractors Limited shall effect the provisions of the Health and Safety at Work Etc. Act 1974 and related legislation plus all applicable Network Rail disciplines incorporating Network Rail's work safe principles as detailed in the company's "Refusal to Work on grounds of H&S; expressing our belief in and accepting our legal and moral responsibility to protect and enhance the health, safety and welfare of our employees and to not adversely affect others outside of our employment. We believe that our policy contributes to business performance through provision of a structured framework to promote well-being, commitment, economical methods of work and through helping to prevent accidents; to this end we place health, safety and welfare uppermost within our business.

Our health and safety management policy shall revolve around risk control strategy through identification of hazards, risk and safe systems of work, with the provision and application of adequate financial and physical resources to meet the demands of legislation, our policy and our commitment towards planning and continual improvement. We shall also ensure that our activities are fully considered for emergency preparedness.

We shall consult, inform, supervise and train our employees as necessary, encouraging their involvement and requiring full co-operation from them; and appoint or seek the guidance of competent persons to ensure our policy is implemented, maintained and improved where practicable.

Where necessary we shall enforce the policy through disciplinary measures should the need arise; and employees are reminded that neglect of policy is considered serious misconduct.

We shall measure and monitor performance through the management structure and review policy annually or in light of legislation change, technical progress, significant changes to company structure or following any noted omissions.
